Congratulations to Diane Johnson, University Village resident, who was the lucky winner of a head of beef, in a neighboring city's sales promotion drawing. Looks like the Johnson family won't have to boycott meat after all.

Security Savings and Loan's Julie Thompson has announced that she has two ticket cages available to clubs and organizations who may be holding drawings. The cages come in a medium and large size and were made by Delcie's dad, who, although retired, still likes to keep busy.

The smaller one will be kept at the Solano Avenue branch of Security Savings, and the larger one at the Albany Chamber of Commerce. Phone 525-1145 or 525-1771 to reserve or for further information.

Joe Abowd, complete with tall hat, presided over the delicious Italian spaghetti he cooked for the dinner held in honor of the retirement of Albany's Bud Durst... who plans to spend his free time golfing and fishing, weather permitting. He'll be busy checking plans for his home he hopes to build soon on his little plot of ground in the near Lake area. Mickey and Eltingoff hosted the affair.

Volanda and Dom Greco attended the Durst party, looking pleased and happy upon their return from a tour of Hawaii.

Volanda recently sold her Solano Avenue beauty shop, which she owned for the past 18 years, although she is semi-retired, she isn't a lady of leisure yet. She is still helping out at the shop on a part-time basis, and doing several hours every two weeks to patients at the Albany Adolescent Hospital, giving

Congressman Joins Albany's Child Care Service Protest

Congressman Jerome Waldie has joined Mayor Joe Carlevaro and the people of Albany, in protesting the recently proposed regulation ceilings for programs of service to needy families and children—specifically day care facilities and their use.

"I have written to the Secretary of Health, Education and Welfare," the Congressman wrote the Albany Mayor, "outlining my objections to these proposed regulations and the implications they hold for many people who cannot afford private day care services, urging him to re-consider these proposals."

Waldie further noted in his letter, that as many of the "cuts" in Title IV-A monies are due to the ceiling imposed on Social Services, under the Revenue Sharing Act of 1972, he has joined in co-sponsoring legislation which would remove child-care funding from this ceiling.

His letter concluded, "I, as well as many other members of Con-

gress, am appalled at the policies of the Administration aimed at dismantling years of progressive social programs, and I will do all that I can to re-order the budget priorities set forth by the President.

The Congressman was once a resident of Albany, residing in University Village while he attended law school at the University of California.

Choir Festival Welcomes Spring

The Albany High School Cougar Choir will salute the arrival of spring, in a special festival of song Thursday evening, April 12, at 8 p.m. in the AHS Little Theater. Under the direction of conductor Dusty Helsabeck, the 50-voice choir will feature a fast paced panorama of melodies from many eras. Works by Hassler, Corelli, and Monteverdi will begin the program and will be followed by the performance of madrigals, by the select members of the Ensemble Singers.

A jazz arrangement of an air by J. S. Bach, called "Breezy Bach," will be accompanied by percussionist Ian Wright and bassist Chrysti Van Eckhardt. Among the Negro spirituals and folk songs highlighting the evening's entertainment will be "Lord A-Rock-A My Soul" and "Sourwood Mountain," the latter a Kentucky mountain song that has become a favorite of groups everywhere. A light touch to the proceedings will be added by the Boys Double Quartet singing a barbershop version of "Never Throw a Lighted Lamp at Mother" and the Girls Triple Trio discussing on the humorous problems of style in Jean Berger's "The Fashions Change."

Concluding the festival, the Choir will perform the witty spoof "The Grasshopper," a musical joke featuring the special talents of narrator David Leak, pianist Mary Wallmann, and the unique voices of several soloists.

The community is cordially invited to attend the festival. Admission is free of charge.

LITTLE Gino and Angelo Vinciguerra, campaign twins for the 1973 Alameda County Easter Seal fund drive, now underway, share a pleasant moment of relaxation with Hal Denham, Albany campaign chairman during a recent luncheon held for community chairmen. The five-year-old twins are patients in the speech therapy department at the Easter Seal Rehabilitation Center, which is supported from the proceeds of the annual campaign.

Albany Sets Precedent With Up-Dated Fire Code

The Albany City Council, in realizing the necessity of providing ample protection to keep pace with the rapid strides of progress, has been one of the first to adopt building and fire codes that are sufficiently up-dated and extended in the field of public safety.

Both the Albany Engineering and Fire Departments have worked closely with officials of other cities, especially in the diversified and technical aspects of safety in high-rise buildings.

Fire Commissioner Lewis Howell, referring to the proposed Interstate General Development Corporation's high-rise buildings on Albany Hill, stated he was very happy that Albany was setting a precedent for high-rise buildings that would provide ample coverage of all apartments, rooms and corridors with a complete sprinkler system.

Howell further stated: "I am certain that the experience of other cities in high-rise construc-

Mosquito Warning

Residents are warned to be alert for the next few days to the presence of "wrigglers" in standing water, since these could be the early stage of mosquitoes, alleged Harold Van Coops, Albany's deputy health officer.

Mrs. Mosquito lays her eggs in water during and after the spring rains and they develop to flying biters in 10 to 20 days, the sooner in warm weather.

A call to the Albany Health Department, 526-6116, will bring an investigator to look at the situation and render environmental first aid.

Recommendations and Requests Receive Albany City Council Action

The month of April is being dedicated to various community activities in Albany, as a result of proclamation requests approved at Monday night's Council meeting.

The week of April 21 through 28 will be celebrated as "Albany Little League Week," and in answer to the request of the California City Clerks' Association, April 22 through 28 will also be "City Clerks' Week," in conjunction with a City Clerks' meeting to be held in Fresno, April 27 and 28.

A request from Berkeley Postmaster William Wollman, asking that the following week, April 29 through May 5, be proclaimed "Postal Week," was also approved, joining a previously approved proclamation declaring the week of April 23-30 as "Columbian Squire Week," in honor of the junior section of the Knights of Columbus.

In approving the Postal Week proclamation, Councilman Lewis Howell laughingly commented that he hoped this proclamation

might lead to better postal service for the district.

A request from Edwin Wade, Mayor of the City of Long Beach, asking support for the enactment of Senate Bill N. 502, the Federal Aid Highway Act of 1973, was ordered held over for one week to give City Administrator James Turner time to study the bill and report back to the Council.

City Attorney Larry Saler was instructed to prepare Resolution No. 73-41, a routine resolution concerning the Solano Avenue Street Lighting Assessment; and Resolution No. 73-35, concerning an amendment to the contract between the Board of Administration of the Public Employees' Retirement System and the Council.

The amendment reads as follows: Retirement allowances to which the annual cost-of-living provisions apply, payable for time commencing on the first day of the calendar month coinciding with or next following the effective date of this amendment, to or on account of persons retired or members deceased on or prior to Dec. 31, 1970, are hereby increased by 5 percent.

During the discussion, Council members indicated the amendment would affect four former non-uniformed city employees who are now retired.

At the request of Councilman Richard Clark, Council members agreed to set up a work session to discuss the Affirmative Action Program as proposed by Shepard Associates, Inc.

Council also accepted City Administrator Turner's recommendation that the period of June 4 through 8 be "Annual Clean-Up Week" in Albany, with the same basic regulations proposed as in previous years, with pick-ups on the regular garbage pick-up days within that period.

A recommendation from James Turner and Chief of Police Ralph Jensen, that the parking arrangements at the intersection of Brighton and San Pablo Avenues not be changed, also won Council approval, with the condition that the area would be kept under observation. A copy of the recommendation was ordered forwarded to the Traffic and Safety Commission.

Councilman Clark announced he was appointing Ann Rotramel of University Village to the "Albany First Committee," and Mayor Joe Carlevaro announced that Chairman Bill Johnson would be representing the Planning and Zoning Commission on the Committee.

Under "the good of the City," Mayor Carlevaro introduced James Lamb of 1034 Pomona, who will be heading the campaign for the June school bond election. Mr. Lamb requested that Council members accept nomination to the Board of Directors for the campaign, and reminded everyone of the next bond meeting which will be held tonight at 8 p.m., in the Cornell School cafeteria.

NOTICE

The Albany Little League Board meeting will be held tonight, at 7:30 p.m. in the Cornell School Cafeteria. This meeting will be open to all interested Little League baseball managers, coaches, sponsors and parents. All are welcome and urged to attend.

Proclamation

WHEREAS, the President of the United States has proclaimed the week of April 8-14 as National Action for Foster Children Week to call attention to the vital needs of foster children, and

WHEREAS, in this area there are hundreds of foster children who through no fault of their own have been deprived of a normal home relationship involving shelter, a sense of being wanted and belonging, and other needs that are basic rights of all children, and

WHEREAS, social agencies, both public and private, and dedicated foster parents provide these children with a temporary or a permanent environment that will help them become the responsible citizens of tomorrow, and

WHEREAS, agencies and foster parents are finding it increasingly difficult to provide the basic

needs of these children, such as medical and dental care, education, food, clothing, skilled social work, and other community resources, and

WHEREAS, these ends can be met only by increased funding and concerted public effort on the part of all citizens, governmental and private agencies, legislators, and others responsible and concerned for the future of these children,

NOW, therefore, I, Joe Carlevaro, Mayor of the City of Albany, do hereby proclaim the week of April 8-14, 1973, as Albany's Action for Foster Children Week, and call upon all citizens to volunteer their talents and energies on behalf of foster children and to recognize that vital role played by foster parents in enabling these children to develop into mature, responsible, productive adults.

Local Scouts Help Clear Dead Trees

Local members of the Boy Scouts of America are sharing the concern of other residents over the fire danger from dead and dying eucalyptus trees in the Oakland-Berkeley Hills, along with the East Bay Regional Park District and conservation groups in the area.

According to Paul Clausen, Camping Director for the Mt. Diablo Council, BSA, Scout troops have been asked to help out and clear dead eucalyptus trees from the extensive groves at the Council's Camp Herms in the El Cerrito hills.

Many troops, as well as individual Scouts, have expressed great interest in the massive clean-up project, and have already begun work at the Council facility.

Mr. & Mrs. Ronald Lee Wilson

Albany Man Wed In Tahoe Rites

Ronald Lee Wilson of Albany claimed Karen Jean Albright of Richmond, as his bride in a double-ring ceremony, which took place in the Hope Lutheran Church of the Sierras at Lake Tahoe.

The bride, daughter of Mr. F. Albright of Eugene, Oregon, and Mrs. R. Albright of Richmond, is a graduate of Contra Costa College and is presently employed by a title company in Oakland.

Her groom is the son of Mrs. Celia Wilson of Albany, and the late Harold Wilson, and a graduate of Sacramento City College.

The bride wore a short, white satin dress, trimmed at the collar and waist with white braid and sequins. Her white, double-lay-

ered shoulder-length veil was topped with a pearl crown, and she carried a bouquet of white carnations, centered with a white orchid.

The bride's twin sister, Sharon (Terry) Albright, was maid of honor, and she wore a pleated, short-length, cream-colored sheer dress, trimmed with white lace at the collar and cuffs.

Gary Artz of Sacramento, a friend of the groom's served as best man.

Following the ceremonies, the young couple received their friends and family members during a reception at the Tahoe Sands. They spent the first five days of their honeymoon at South Lake Tahoe, and then flew to Hawaii.

The newlyweds are making their first home in Albany.

Homeowners are reminded that their property tax exemption must be filed by April 15, 1973. If you are eligible for the exemption, the assessed value of your property on the 1973-74 tax statement will be reduced by the amount of \$1,750 before taxes are computed. Your tax bill, which will be issued in November, 1973, will be approximately \$135 to \$275 less than it would have been without the exemption. This is a considerable saving so be sure and take advantage of it.

You are eligible for this exemption if you are the owner of a dwelling which you occupied as your principal place of residence on March 1 of this year.

Leila Henderson's class on Creative Retirement on Wednesday, April 11, will be on Investments. Al Samson, Financial Planner, will be the speaker. The subject of Leo Vuosalo's class on World Affairs in the afternoon will be "The European Common Market." Films will be shown in each class.

Following these classes at 2:30 p.m., Ms. Katie Chehrezad, who has worked with senior citizen groups, will help lead a discussion. The primary object of this

survey is to find out the needs of senior citizens, and how to meet these needs.

The survey will not mean much unless senior citizens will be working on it, and will be involved in the organizing and actual doing of it. Your ideas are needed. Please plan to attend this meeting.

There will be no adult school classes on Wednesday, April 18, which is during the school Easter vacation week. However, Ted Pickerill will host a discussion on Human Relations on that date from 10:30 a.m. to 12 noon. An American Field Service exchange student, Marco Meniketti, will be a guest speaker in the afternoon from 12:30 to 2 p.m. He will show slides describing his trip abroad, and a committee member from the American Field Service will also be present to explain the program.

Edna Cowan has appointed Eleanor Kern as chairman of the Easter potluck lunch and Easter hat parade. This event will begin on Thursday, April 19, at 12 noon. This is for members only, and reservations are necessary. See Ethel Macquart to make your reservation. There will be no bingo on this day.

ORDINANCE NO. 73-08

AN ORDINANCE CALLING A SPECIAL MUNICIPAL BOND ELECTION IN THE CITY OF ALBANY FOR THE PURPOSE OF SUBMITTING TO THE ELECTIONS OF SAID CITY THE MEASURE OF INCURRING A BONDED INDEBTEDNESS OF SAID CITY FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF THE FOLLOWING MUNICIPAL IMPROVEMENTS, TO WIT: PARK AND RECREATION IMPROVEMENTS; DECLARING THE ESTIMATED COST OF SAID MUNICIPAL IMPROVEMENTS, THE AMOUNT OF THE PRINCIPAL OF SAID INDEBTEDNESS, AND THE MAXIMUM RATE OF INTEREST TO BE PAID THEREON; MAKING PROVISION FOR THE LEVY AND COLLECTION OF TAXES; AND FIXING THE DATE OF SAID ELECTION, THE MANNER OF HOLDING THE SAME, PROVIDING FOR NOTICE THEREOF AND CONSOLIDATING SAID SPECIAL MUNICIPAL BOND ELECTION WITH THE ALBANY UNIFIED SCHOOL DISTRICT SPECIAL BOND ELECTION TO BE HELD JUNE 5, 1973.

WHEREAS, the Council of the City of Albany (the "Council") by resolution duly passed and adopted at a meeting of the Council duly and regularly held, by affirmative vote of more than two-thirds of all its members, did determine that the public interest and necessity demand the acquisition, construction and completion of the municipal improvements herein mentioned, and did further determine that the cost of said proposed municipal improvement will be too great to be paid out of the ordinary annual income and revenue of said City and that said municipal improvement will require an expenditure greater than the amount allowed therefor by the annual tax levy, and will require the incurring of a bonded indebtedness therefor, which resolution was duly entered on the minutes of said meeting of the Council, and is now on file and of record in the Clerk's office of said City; NOW THEREFORE, THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:

Section 1. A special municipal bond election shall be and is hereby ordered and will be held in the City of Albany (the "City") on Tuesday, June 5, 1973, at which election shall be submitted to the qualified electors of the City the question of incurring a bonded indebtedness of the City for the objects and purposes set forth in the following measure, to wit:

CITY OF ALBANY BOND MEASURE

MEASURE (B): (Park and Recreation Improvements)

Shall the City of Albany incur a bonded indebtedness in the principal amount of \$500,000 for the acquisition, construction and completion of the following municipal improvement, to wit: Park and recreation improvements, including acquisition of real property, grading, paving, landscaping, playground equipment, recreational facilities, a community center building, tennis courts and a swimming pool, lands, easements and rights-of-way, and other works, property or structures necessary or convenient for park and recreation improvements for the City of Albany?

The estimated cost of the municipal improvement as set forth in said measure is the sum of \$500,000 and the amount of the indebtedness proposed to be incurred for said municipal improvement is the sum of \$500,000. The estimated cost hereinabove stated of such municipal improvement includes legal and all other fees incidental to or connected with the authorization, issuance and sale of the bonds evidencing the indebtedness proposed to be incurred for such municipal improvement and the costs of printing said bonds and all other costs and expenses incidental to or connected with the authorization, is-

suance and sale of said bonds. Section 2. The Council does hereby submit to the qualified electors of the City at said special municipal bond election said measure set forth in Section 1 of this ordinance, and designates and refers to said measure as the measure to be set forth on the form of ballot hereinafter prescribed for use at said election. (a) Said special municipal bond election shall be held and conducted, and the votes thereof canvassed, and the result thereof ascertained and determined, as herein provided, and in all particulars not prescribed by this ordinance, said election shall be held as provided by law for the holding of municipal elections in the City.

(b) All persons qualified to vote at municipal elections in the City upon the date of the election herein provided for shall be qualified to vote upon the measure submitted at said special municipal bond election. (c) The polls at the polling places hereinafter designated shall be opened at 7:00 o'clock A.M. of said day of election and shall be kept open continuously thereafter until 8:00 o'clock P.M. of said day of election, when the polls shall be closed. Except as provided in Section 14436 of the Elections Code, and the election officers shall thereupon proceed to canvass the ballots cast thereat.

(d) Said special municipal bond election hereby called shall be and hereby is consolidated with the special municipal bond election held in the City on June 5, 1973, all as required by and pursuant to law and proceedings of said District, and the election precincts, polling places and officers of election within the City for said special municipal bond election hereby called shall be the same as those selected and designated for said school district special bond election. Said special election precincts and polling places therein, and election officers appointed to conduct such election thereat, shall be as set forth in orders designating said election precincts, polling places and election officers on file and of record in the office of the Registrar of Voters of Alameda County, State of California. Only qualified voters of the City shall be permitted to vote at said special municipal bond election. The Registrar of Voters of the County of Alameda is authorized to canvass the returns of said special municipal bond election with respect to the votes cast in the City, and certify the results to the Council.

(e) On the ballots to be used at said special school district bond election and said special municipal bond election hereby consolidated therewith, in addition to all other matters required by law to be printed thereon, shall appear the measure set forth in Section 1 hereof. Each voter to vote for the measure hereby submitted and for incurring said bonded indebtedness shall stamp a cross (+) in the blank space opposite the word "YES" on the ballot to the right of said measure, and to vote against said measure and against incurring said indebtedness shall stamp a cross (-) in the blank space opposite the word "NO" on the ballot to the right of said measure. On absent voter ballots the cross (+) may be marked with pen or pencil.

(f) At the next regular meeting of the Council occurring after the returns of said special municipal bond election have been canvassed by the Registrar of Voters of said County, and the certification of the results thereof to the Council, or at a special meeting called thereafter for such purpose, the Council shall cause to be spread upon its minutes a statement of the results of said special municipal bond election as ascertained by said canvasses.

Section 3. The Council proposes to issue and sell bonds of the City for the objects and purposes not exceeding the amount specified in said measure, if said measure shall be approved at said election. Said bonds shall be negotiable in form and of the character known as serial and shall bear interest at a rate not to exceed seven (7) per cent per annum, payable semiannually (except that interest for the first year after the date of said bonds may be made payable at or before the date of said year). Provision is hereby made for the payment of the principal of and interest on said bonds as follows: At the time of making the general tax levy after incurring the bonded indebtedness, and annually thereafter until the bonds are paid or until there is a sum in the treasury set apart for that purpose to meet all payments of the principal and interest on the bonds as they become due, the Council shall levy and collect a tax sufficient to pay the interest on the bonds and such part of the principal as will become due at the next general tax levy will be available; provided, however, that if said bonds are authorized to be issued at said election, and it is expected that all or any part of said bonds will be sold at such time that the principal or interest on such bonds will become due before the proceeds of a tax levied after such sale would be available to pay such principal or interest, the Council, at the time of fixing the annual tax levy, may levy a tax in an amount clearly sufficient to pay that portion of the principal and interest on said bonds which is expected will become due before the proceeds of the next succeeding tax levy will be available. If the earliest maturity of the bonds is more than one year after the date of issuance, the Council shall levy and collect annually a tax sufficient to pay the interest as it falls due and to constitute a sinking fund for the payment of the principal on or before maturity. Every ordinance for the issue of any of the bonds shall provide for a tax levy for each year to meet the annual serial installments of principal and interest, and such amounts shall be included in the tax levy for each year. Such taxes shall be levied and collected as other City taxes and shall be in addition to all other taxes and shall be used only for payment of the bonds and the interest thereon.

Section 4. The City Clerk of the City is hereby directed, upon the passage and adoption of this ordinance, to publish the same once a week for two (2) weeks in the ALBANY TIMES, which is a newspaper of general circulation published less than six (6) days a week in the City, and such publication shall constitute notice of said election. No other notice of the election hereby called need be given. Section 5. This ordinance shall be forthwith entered upon the minutes of the Council and in the Ordinance Book of the City. This

ordinance, being an ordinance calling and ordering an election, shall take effect from and after its final passage and approval. Albany High School Musicians Walk Off With Festival Awards

Three soloists and three woodwind ensembles, from the Albany High School Music Department, were honored with high ratings for their performances at the California Music Educators' Association Solo and Ensemble Festival, held recently in Concord.

Clarinet soloist, Patricia Meisner received both a "superior" and a "command performance" rating for her playing of the Mozart A Major Clarinet Concerto; and a flute quartet, consisting of Anne Nakao, Claudia Nausin, Suzanne Bier and Sue Gershenson, also received "superior" and "command performance" ratings.

A "command performance" rating indicates that the players performed in such an outstanding manner they were asked to repeat their performance in a special concert at the Festival.

Also earning "superior" ratings were flute soloist, Anne Nakao, and a woodwind quartet consisting of Judy Choate, Bonnie Miller, Greg Hazarabedian, Geoff Chin and Liz Tice.

Cello soloist, Rita Kingsley, and a woodwind sextet, composed of Patricia Meisner, Helen Beiden, Geoff Chin, Linda Hiscoc, Lize Tice and Sheryl Berling were

awarded "excellent" ratings. Accompanists were Mrs. Mary Wallmann and Joe Cravotto.

Adjudicators from the music departments of San Jose State College and the University of the Pacific, had high praise for the poise and superior musicianship of these Albany High School musicians, and their director, Ernest Douglas, noted: "I am very proud of all of them. They played beautifully!"

I own a one-chair barber shop in Albany, California. For a number of years I have paid dues and have been a member of the Barber's Union. In 1969 I asked to resign from the Union and refused to pay any further dues. I was later summoned to Small Claims Court for payment of dues and assessments, and a judgment was made against me for payment of back dues and assessments. Besides forcing me through court action to pay the dues, they also placed a picket in front of my shop. Now again, since most of the benefits have been lost, I asked to resign; and the very same chain of events have occurred. I was summoned to Small Claims Court, a judgment was made against me for dues and assessments, and a picket has been placed in front of my shop.

I feel an injustice has been done to me in a country where freedom still exists. One of the disgruntled barbers who has been harassed by the Union.

THAT'S THE SPIRIT

Van Coops, son of Albany Health Officer, Harold Coops, and Albany High's superb baseball player, is in the footsteps of his older brothers, according to the AHS Informer.

Pete and John, who pre-hm at Albany High, were on the Varsity nine. Pete was a State Park Ranger at Luis Obispo, and John is cur-playing baseball at Hum-College.

Though Tony maintains that his brothers never really had a strong influence on him, he

has to admit that they did help him in becoming interested in baseball.

"They did encourage me a little," he says, "and Pete got me started in Little League baseball when I was eight years old."

However, Tony didn't really get excited about baseball until he came in contact with Dick Brooks, head baseball coach at Albany High, who probably gave him more help than anyone.

According to Tony, "He worked with me a lot, and was always encouraging me." In fact, Mr. Brooks encouraged Tony so much

that the young ballplayer last year made All-League, All-Area and won honorable mention in All-East Bay.

After the 1972 season, Tony kept right on playing baseball for the El Cerrito American Legion team, and helped pitch them to third place in the Nationals.

Along the way to the Nationals, they beat the defending World Champions of West Covina in the State Tournament, and the Hawaiian team in the Regional Tournament.

Will Tony Van Coops turn professional? "I've always dreamed of playing professional baseball," he admitted, "but I can't be sure now."

Mormons Plan An Open House

The Berkeley Ward of the Church of Jesus Christ of Latter-day Saints, commonly known as the Mormon Church, has scheduled a special open house at the church to acquaint those in the area who are interested with the Latter-day Saint's beliefs, and in particular the Book of Mormon, which has become known as America's Witness for Christ.

The evening will be full of entertainment, and will include the viewing of a short movie presentation entitled, "Ancient America Speaks." This presentation deals with some of the evidences that Jesus Christ actually visited the inhabitants on the American continent centuries ago.

The open house will begin at 7:30 on April 14 and will be held at the Latter-day Saint chapel which is located at the corner of Walnut and Vine.

A tour of transite paintings and other displays furnished by the organizations of the Church will be shown to illustrate the role of the Church in the development of the individual as well as the family.

Guests will have the opportunity to ask any questions they might have concerning the beliefs of the Church. Any additional information concerning the Open House may be obtained by phoning 841-4587.

Summer Travel-Study Program Plans Delta Houseboat Tour

"Exploring the Delta by Houseboat" is a travel-study program which will be offered this summer by California State University in Sacramento.

The program will offer participants an ideal way of seeing the various aspects of the Delta, once the playground for riverboat gamblers, but still full of its own mystique, bringing to mind traditions of gentler days.

Students will board the "Queen" houseboat at Walnut Grove, and spend one week living aboard and plying the waters of the Sacramento-San Joaquin Delta, and traveling through its picturesque waterways.

Aspects of the Delta to be studied include: the history of the area, from the 18th Century Spanish explorers to the vast agri-business complex of today; the Delta and its problems, including water transfer, floods and man's impact; the Delta as an ecological system encompassing habitat, wildlife and the living river system that nourishes a complex array of insects, fish, mammals, reptiles, amphibians and birds; and the Delta and its colorful old historic towns of Locke, Ryde, Clarksburg and Rio Vista.

Visiting Instructor, Charles Weiderhod, a long-time Delta enthusiast, will conduct the travel-study program, which will include an orientation meeting to be held on the Sacramento campus.

The course will be divided into two sections, July 9 through 13, and July 16 through 20.

Further information, detailed itinerary and registration materials are available by contacting the Travel-Study Office, Room 276, Administration Bldg., California State University, Sacramento, CA 95819, or by calling 916-454-6196.
